

# 25th Reunion

September 26, 27, 28 2008

July 18<sup>th</sup> 2008

Dear Science '83 Classmate:

Over 50 Science '83 classmates have already confirmed that they will be attending our 25<sup>th</sup> reunion in September. We hope to see you **September 26, 27 & 28** in Kingston to catch up with old friends and to share some wonderful memories.

There are a few things you should do right now to confirm that you are coming:

- Visit [www.science83.com](http://www.science83.com) to **i)** add your name to our email list (add your email, even if you are not coming), **ii)** pre-register for Homecoming, and **iii)** see who else has already confirmed that they will be in Kingston in September.
- See the list of Science '83 events listed below and be sure to RSVP for dinner and/or brunch before August 30<sup>th</sup> (see below for instructions)
- Book a hotel room. A limited block of hotel rooms has been booked for Science '83 at the following hotels. The block booking will expire soon, so please reserve your room now.

**Comfort Inn** (Highway 401)

Rooms at \$120

Phone (613) 546-9500 or Fax (613) 546-9361

Quote Group Number #100973 (Queen's Applied Science 1983)

**Ambassador Hotel** (Princess Street, near train station)

Rooms ranging from \$185 to \$245

Phone 1-800-267-7880

Quote: Science '83 block booking

- Send any questions or suggestions to [queens.science83@gmail.com](mailto:queens.science83@gmail.com)

## Weekend Happenings

Here are the Science '83 events planned for the weekend.

### Friday, September 26<sup>th</sup>

Clark Hall is unlikely to be open for Homecoming (any news to the contrary will be shared via our email list), so we've updated Friday Ritual by moving downtown. We'll all meet up at The Grizzly Grill, 395 Princess Street, starting at 4pm 'till late on Friday for food, drinks, pool, dancing. No reservations are necessary – just show up, tell them you are with Science '83 and pay your own way. Spouses and kids are most welcome, although minors are not allowed on the premises after 11pm. See [www.grizzlygrill.on.ca](http://www.grizzlygrill.on.ca) for information about the venue, menus, etc.

Get all the Reunion details at  
[www.science83.com](http://www.science83.com)

# 25th Reunion

## Saturday, September 27<sup>th</sup>

The Renaissance, 285 Queen Street, has been booked for our class dinner, starting at 6 pm. There will be buffet style cocktails and hors d'oeuvres and time to mingle and then a sit down dinner. The cost is expected to be about \$55-\$60 per person, and there will be a cash bar.

RSVP for the dinner by email before August 30<sup>th</sup> to Laura Margetts at [lmargetts@cogeco.ca](mailto:lmargetts@cogeco.ca). Be sure to indicate the number of people attending and any dietary restrictions. Spouses are very welcome. To simplify things, we're not collecting money in advance, but please consider your RSVP to be a firm commitment to attend or pay. Please bring cash to pay at the event.

### Help us create a great slide show for the dinner!

Do you have photos or music that evoke memories from our university days? If so, please see the enclosed photo request or visit [www.science83.com](http://www.science83.com) for instructions on how to send them to us for the slide show. Contributors will get a CD with a copy of the entire slide show.

## Sunday, September 28<sup>th</sup>

Sunday Homecoming Brunch is a great way to wind up the weekend. We've booked the Kingston Yacht Club, 1 Maitland Street, for a relaxed brunch, from 10:30 – 1:30 pm. We'll invite a few current engineering students so we can also hear about how things have changed in the past 25 years. The brunch will be buffet style and, although details are being finalized, the cost should be under \$20 per person, with reduced prices for young children.

Please RSVP by email before August 30<sup>th</sup> to Laura Margetts at [lmargetts@cogeco.ca](mailto:lmargetts@cogeco.ca). Be sure to indicate the number of people attending.

## Football Tickets – Queen's vs Western

The Golden Gaels will host Western on Saturday, September 27 with a 1 pm kick-off at Richardson Stadium. Tickets are now on sale and it is highly recommended that you book them as soon as possible. Tickets can now be purchased online at [adv.queensu.ca/events/homecomingfootball2008](http://adv.queensu.ca/events/homecomingfootball2008)

To ensure seating with our class, buy your tickets early and be sure to indicate Science'83 when you buy your tickets. (Tickets are also available by calling 1-800-267-7837)

## Friday or Saturday Golf

If you are interested in playing golf on Friday and/or Saturday afternoons, please contact Rod Lancefield [rod1@htseng.com](mailto:rod1@htseng.com). Rod and Rob Miller are looking forward to playing with some old classmates and are willing to book tee times.

## Mark Latham Memorial Award

Over the past two decades, many of you have generously donated to the Mark Latham Memorial Fund. Mark was a special friend, and a huge influence on campus. (Thank you for your ongoing support of this initiative.) Each year a 4<sup>th</sup> year Applied Science student receives the award of about \$4,000. In addition to good academic standing, the recipient is a well rounded student combining enthusiasm and leadership with integrity and a sense of humour – just like Mark.

As part of our 25<sup>th</sup> Reunion plans, we want to dramatically increase the size of this fund to \$250,000

**Comment [cm1]:** Hi there Glynis and Rick. Are these students you would like me to set you up with or do you have students in place already? Carey

Per email 16Jul08, we have not yet invited any current students – Carey, if you can help here, that would be great.

# 25th Reunion

and we are asking for your help. A generous classmate has offered to match your donation, doubling the impact of your gift, so your donation of any size can go a long way towards meeting our goal. There hasn't been too much response to our call of donations so far. Other Applied Science classes have made large class gifts to commemorate their 25<sup>th</sup> reunions. This is our chance to make a really significant gift to our own class fund. Please make a gift now – the matching offer expires at Homecoming. To donate, go to the Queen's website at [www.givetoqueens.ca](http://www.givetoqueens.ca) (Under "Please direct my gift to:" choose "Other" and write "Mark Latham Memorial Award").

Included on the next page is a listing of classmates who have fallen out of touch. If you know how to contact them, please tell them about the Science83.com website and have them contact Alumni Relations at 1-800-267-7837 or [records@queensu.ca](mailto:records@queensu.ca) so that we can notify them about our Homecoming Reunion plans.

If you have any questions, comments or suggestions please drop us a line. Send pictures or any comments to [queens.science83@gmail.com](mailto:queens.science83@gmail.com). We hope to see you in September!!

Cha Gheill!

## Keeping in Touch with Science '83

The following classmates are "Lost" meaning Queen's Alumni Relations does not have their current address. This means they will not receive details of the 25th Reunion. If you know where they live or have their email address, please contact them or Queen's University, 1-800-267-7837 (records@queensu.ca) so they can be notified about our reunion.
